

SFEPD

MIND OVER MONEY SKILLS FINANCIAL LITERACY CERTIFICATE

Unleash the Power of Your Financial Potential

The image shows a computer monitor and a smartphone displaying the SFEPD website. The monitor displays the 'Mind Over Money Skills Online Course & Certificate' page, which includes a header with the SFEPD logo and navigation links, a hero image of diverse students, and a main section titled 'Mind Over Money Skills Online Course & Certificate'. The smartphone displays the 'Student Registration' page, which features a red button that says 'Students: Click Here to Enroll'.

SFEPD is pleased to announce an 8-part online ***Mind Over Money Skills*** financial literacy certificate. Upon completion, individuals will receive a digital badge credential issued through **Credly**, an industry leading credentialing organization.

Why Financial Literacy Matters

Financial literacy is more than just understanding numbers; it's about making smart decisions that will shape your financial health, stability, and build wealth. By gaining a solid foundation in financial literacy, you'll be able to apply practical applications of personal money management concepts and navigate life's financial challenges and opportunities.

Our online certificate consists of eight modules:

- Budgeting, Values, & Financial Goal Setting
- Credit & Debt Management
- Student Loan Management
- Insurance
- Homeownership
- Investor Education
- Retirement Planning
- Estate Planning
